## IMPORTANCE OF ORGANIZATIONAL STRUCTURE IN VALUE CREATION

The Company has a hierarchical structure with a clear identification of business functions. This provides many advantages such as the clear demarcation of departmental-level responsibilities, an absence of complexities in executing command and a structured flow of information. Our open-door policy also combines with the above aspects to create a friendlier culture. All these factors enhance the adaptability of the business model, allowing us to effectively execute business strategies. As a result, our value creation process is greatly enriched by our organisational structure.
